

# ASK THE EXPERTS SOLUTIONS BRIEF

## WHAT IS ASK THE EXPERTS?

Amplifi understands the critical role of master data – and all of its nuances – in enabling successful digital transformation projects. For over a decade, we have been in the trenches with some of the largest brands in retail, manufacturing, and distribution, helping them harness the power of their data. During that time, we have become experts at our trade and of the product and master data platforms that we utilize on a daily basis.

Our **ASK THE EXPERTS** webinar series connects your team members with Amplifi's knowledge base of MDM experts. With our team's collective experience of over 150 years in the field of master data, Amplifi understands your industry and challenges. We stand ready to guide both business and technical users along the MDM journey.
